3	Activities and Approaches for Avoiding Death By Conference Call
4	Platforms and Engagement Approaches (Breakouts)
5	Tricky Issues
6	Skills and Techniques – A deeper dive into Facilitation Techniques in the virtual space (Strategic Planning, Brainstorming, Webinars)
7	Tools and Resources – Openers, Closers, Energizers Setting up your own accounts and systems Practicum – Hands on practice
8	Engagement Techniques Practicum – Hands on practice
9	Systems, Platforms Practicum - Hands on practice leading a call
10	Evaluating Programs Practicum – Call leadership
11	More Tricky Issues Practicum – Call leadership Closure

Included in your registration is a program binder (delivered as weekly modules) with extensive web links, bibliography, resources, and templates. It also includes a pre-call with Jennifer and 1.25 hours of 1-1 coaching time scheduled across the 11 weeks to support you with your own programming.

The Virtual Facilitation Skills Intensive now shares the same first five weeks programming with the Virtual Facilitation Essentials program and that component is approved for 8.5 hours of CCEs with the ICF. A separate 15-hour Certificate is issued at the end of this program (which includes the 11 weeks of class time and 1.25 hours of individual call time, plus your Blended Learning Assignment)
